TechViz has an expertise in the 3D real time performance optimization and virtual reality.

As part of its significant international growth, TechViz is looking for:

JOB DESCRIPTION:

Regional Sales Manager "DACH" Based in Paris

You are in charge of developing the international region assigned. Your target customers are primarily Systems Integrators, Corporate Accounts and Mid Market companies. You have a prior experience of 5 years minimum in at the international level, in indirect sales (via System Integrators) as well as direct sales (Corporate Account management).

MAIN RESPONSABILITIES :

- Analyze target markets and develop Techviz activities
- Develop direct touch to Corporate Accounts
- Identify, recruit and manage System Integrators
- Develop distribution contracts and business plans with System Integrators
- Provide precise and detailed reports to the management via Techviz CRM
- Many trips abroad are expected.

Required profile :

- Masters Degree in Business or engineering
- 5+ years of experience in international sales
- Experienced in selling services in the IT sector (ideally in 3D software)
- Key Account Management Experience
- Hunter profile, able to develop business at a high-level
- Leadership
- Excellent presentation
- Fluency in English and German is mandatory
- Any other spoken language would be an asset

We are looking for a personality with a strong team spirit, strong ambitions, and willing to achieve new challenges. We offer you the opportunity to fully thrive in a fast-growing company with an attractive compensation (70 000-120 000 € / year). The position is based at our HQ in Paris.
